**Report on Comments Toward Development of 2024 USHGC,
USPSHTC Now Available for Online Download**

Ontario, Calif. (Sept. 1, 2023) — The International Association of Plumbing and Mechanical Officials (IAPMO®), developer of the *Uniform Solar, Hydronics and Geothermal Code (USHGC)* and *Uniform Swimming Pool, Spa and Hot Tub Code (USPSHTC)*, has posted online the 2023 *Report on Comments (ROC)* for the 2024 editions of these prospective American National Standard-designated model codes. The ROC is the technical committee report on the actions taken by the technical committee accompanied by a ballot statement and one or more comments resulting from public review of the *Report on Proposals (ROP)*.

The *USHGC* and *USPSHTC* are model codes developed by IAPMO to govern the installation and inspection of solar energy, hydronics and geothermal energy systems, as well as swimming pool, spa, and hot tub systems, respectively, as a means of promoting the public's health, safety, and welfare. The 2024 edition of each code, scheduled for publication early next year, is being developed through a process accredited by the American National Standards Institute (ANSI). The notification of the *ROC* availability will also be posted in the ANSI Standards Action for public review. The public review deadline is Oct. 27. Please send any comments to codes-dept@iapmo.org.

Anyone may appeal to the Executive Committee of the *USHGC/USPSHTC* in accordance with Section 9.0 of [IAPMO's Regulations Governing Consensus Development of the USHGC and USPSHTC](#).

The notification of intent to file a written appeal deadline is **Oct. 27**.

For questions regarding submitting comments to the *USHGC*, please contact Taylor Duran at (909) 218-8126 or taylor.duran@iapmo.org. For questions regarding submitting comments for to *USPSHTC*, please contact Enrique Gonzalez at (909) 230-5535 or Enrique.gonzalez@iapmo.org.
