### **IAPMO Seeks UPC Task Group Members**

**Ontario, Calif. (June 3, 2024)** — The International Association of Plumbing and Mechanical Officials (IAPMO®) is seeking applicants to serve as technical experts on *Uniform Plumbing Code (UPC®)* task groups.

The *UPC* Technical Committee is seeking special subject experts to join the following task groups:

- **Code Change Review:** The scope of the *UPC* Code Change Review Task Group includes the review of proposals submitted as published in the 2024 *UPC Report on Proposals (ROP)* monograph and develop public comments for the UPC Technical Committee consideration in the development of the 2027 edition of the *UPC*.
- **Heat Pump Water Heater:** The *UPC* Heat Pump Water Heater Task Group will review *UPC* Item #075 as published in the 2024 *UPC ROP* monograph and develop recommendations addressing the proper installation of air-source heat pump water heaters. The recommendations will be forwarded to the *UPC* Technical Committee as public comment(s) for consideration in the development of the 2027 edition of the *UPC*.
- **Water Heater:** The *UPC* Water Heater Task Group will review *UPC* Item #072 as published in the 2024 *UPC ROP* monograph and develop recommendations addressing first-hour rating beyond Table 501.1(1) and heating capacity for water heaters utilized for combined space heating and potable water heating applications. The recommendations provided by the task group will be forwarded to the UPC Technical Committee as public comment(s) for consideration in the development of the 2027 edition of the *UPC*.
- **Cured in Place Piping (CIPP):** The CIPP Task Group will review *UPC* items related to CIPP as published in the 2024 *UPC ROP* monograph and develop recommendations. The recommendations provided by the task group will be forwarded to the UPC Technical Committee as public comment(s) for consideration in the development of the 2027 edition of the *UPC*.

Task group members will participate via conference call or web meeting, provide their perspective on the code, and assist in drafting recommendations for action by the *UPC* Technical Committee. Applicants are not required to be members of the *UPC* Technical Committee.

Those interested in participating in the *UPC* task groups can apply at the following URL:  
[https://forms.iapmo.org/iapmo/committee/app\\_task\\_group.aspx](https://forms.iapmo.org/iapmo/committee/app_task_group.aspx)

The deadline to apply is July 1.

Interested individuals may also contact Enrique Gonzalez at (909) 230-5535 or by email at [enrique.gonzalez@iapmo.org](mailto:enrique.gonzalez@iapmo.org).
