IAPMO Seeks UMC Task Group Members

Ontario, Calif. (June 3, 2024) — The International Association of Plumbing and Mechanical Officials (IAPMO®) is seeking applicants to serve as technical experts on *Uniform Mechanical Code (UMC®)* task groups.

The *UMC* Technical Committee is seeking special subject experts to join the following task groups:

- **Code Change Review:** The scope of the *UMC* Code Change Review Task Group includes the review of proposals submitted as published in the 2024 *UMC Report on Proposals (ROP)* monograph and develop public comments for the *UMC* Technical Committee consideration in the development of the 2027 edition of the *UMC*.
- **Heat Pump Water Heater:** The *UMC* Heat Pump Water Heater Task Group will review *UMC* Item #162 as published in the 2024 *UMC ROP* monograph and develop recommendations addressing the proper installation of air-source heat pump water heaters. The recommendations will be forwarded to the *UMC* Technical Committee as public comment(s) for consideration in the development of the 2027 edition of the *UMC*.

Task group members will participate via conference call or web meeting, provide their perspective on the code, and assist in drafting recommendations for action by the *UMC* Technical Committee. Applicants are not required to be members of the *UMC* Technical Committee.

Those interested in participating in the *UMC* task groups can apply at the following URL:
https://forms.iapmo.org/iapmo/committee/app_task_group.aspx

The deadline to apply is July 1.

Interested individuals may also contact Taylor Duran at (909) 218-8126 or by email at taylor.duran@iapmo.org.
