[Taylor Duran](#)

Dear WEStand Technical Committee Members,

The Technical Committee ballot material for the subject documentation is now available and may be accessed via KAVI at the following link: [2026 WEStand Ballots on Comments](#)

Please note, you are voting on the Technical Committee actions from the recent meeting ([2026 WEStand TC Meeting Actions](#)). The voting options are as follows:

- If you **AGREE** with the Technical Committee action on an item, then click on **AFFIRMATIVE**.
- If you **DISAGREE** with a Technical Committee recommendation, then vote **NEGATIVE** and provide a reason statement for the negative vote. Reason statement must accompany all negative votes.
- If you are **ABSTAINING** on a Technical Committee recommendation, then vote **ABSTAIN** and provide a reason statement for abstaining. Reason statements must accompany all abstentions.

The initial close of ballots is **Friday, June 12, 2026**. All negative votes and comments received by this date will be circulated to the TC immediately after that to afford those who have already voted an opportunity to respond, reaffirm or change your vote after reviewing comments. The final date for returning all ballots is **Friday, June 26, 2026**.

Please note that the return of ballots is required in accordance with the [Regulations Governing Consensus Development of the WEStand](#).

Kind regards,

Taylor Duran
