

## QUALITY CERTIFICATION

### EFFICIENT:

At IAPMO R&T, we understand the importance of "speed to market" and will customize turnaround times to meet almost any deadline without compromising quality of service and our integrity.

### TRUSTED:

With IAPMO R&T, manufacturers gain an attentive, service-oriented partner for exhibiting the compliance of their products in the United States and Global markets.

### RECOGNITION AND INTEGRITY:

The IAPMO R&T brand and its reputation for quality are unparalleled in the industry. IAPMO marks of conformity are widely recognized and represent the highest degree of integrity in showing compliance with established codes and standards.

## INTERNATIONAL PRESENCE

The IAPMO Group has offices in:

- Argentina
- Australia
- Canada
- China
- Fiji
- Germany
- India
- Indonesia
- Kuwait
- Mexico
- United Arab Emirates

Before you choose a third-party certification body, give us a call and discover how the IAPMO R&T Water Filtration program can provide the best customer service and value for your certification dollars. We understand the importance of long-term relationships, as many industry leading manufacturers have seen the value in the IAPMO marks of conformity for decades.

### Look for the Mark
