

# WORLDWIDE RECOGNITION AND INTEGRITY

Before you choose a third-party certification body, give us a call and discover how IAPMO EGS can provide the best customer service and value for your certification dollars. We understand the importance of long-term relationships, as many industry-leading manufacturers have seen the value in the IAPMO EGS marks of conformity for decades.

Contact us about competitive pricing,  
file transfer, field labeling, limited  
production certification and listing needs.

# WORLDWIDE RECOGNITION AND INTEGRITY

---

The IAPMO EGS brand and its reputation for quality are unparalleled in the industry. IAPMO EGS marks of conformity are widely recognized and represent the highest degree of integrity in documenting compliance with established codes and standards.

# ACCREDITED

---

We are a Nationally Recognized Testing Laboratory (NRTL), recognized by OSHA and accredited as a certification body in accordance with ISO/IEC 17065 by the Standards Council of Canada (SCC):

- NSF/ANSI 2
- NSF/ANSI 4
- NSF/ANSI 6
- NSF/ANSI 7
- NSF/ANSI 8
- NSF/ANSI 12
- NSF/ANSI 18
- NSF/ANSI 20
- NSF/ANSI 25
- NSF/ANSI 51
- NSF/ANSI 59
- NSF/ANSI 169

# TRUSTED AND FAST

---

Gain an attentive, service-oriented partner that assures all stakeholders that you are actively in compliance for your market. We understand the importance of “speed to market” and will customize turnaround times to meet your needs without compromising the quality of service.
